

## Exercise A9.4: Case endings (participles)

The participles in the table below are all from the verbs from Chapter 9.

Circle the stem and give the meaning and declension of each participle. Then give the case requested.

|   | Latin                       | meaning | declension |                              |
|---|-----------------------------|---------|------------|------------------------------|
| 1 | custōdiēns, custōdientis    |         |            | accusative<br>masculine pl = |
| 2 | superāns, superantis        |         |            | accusative<br>feminine sg =  |
| 3 | incendēns, incendentis      |         |            | nominative<br>masculine pl = |
| 4 | oppugnāns, oppugnantis      |         |            | dative<br>feminine pl =      |
| 5 | trāditus, trādita, trāditum |         |            | nominative<br>feminine pl =  |
| 6 | gestus, gesta, gestum       |         |            | accusative<br>neuter pl =    |
| 7 | ductus, ducta, ductum       |         |            | ablative<br>masculine pl =   |
| 8 | necātus, necāta, necātum    |         |            | genitive<br>feminine pl =    |
