Section 1

La grande question: *Can I find out about a famous place in France?*

In the boxes below, write down anything you know about Cannes on the left and anything you could find out on the right.

Que sais-je?	Qu'est-ce que je voudrais savoir? Qu'est-ce que je peux apprendre?

Nous allons regarder un clip YouTube. Ils parlent normalement mais est-ce que vous pouvez identifier les cinq bonnes raisons pour visiter Cannes? Notez les raisons dans la table.

You can write your notes in the table on the next page in French or English. See whether you can get some of the French words though.

Once we've discussed your answers, try to answer the questions in the table on the third page? Where could you find out information if you can't immediately answer the questions?
