Conceptual Model

Project

Modelling and General Project Objectives

Organisational Aim

Modelling Objectives

General Project Objectives

Time-scale	
Flexibility	
Run-speed	
Visual display	
Ease-of-use	

© Stewart Robinson, *Simulation: The Practise of Model Development and Use* (Bloomsbury, 2025, 3rd edition)

Model Outputs/Responses

Outputs (to determine achievement of objectives)

Outputs (to determine reasons for failure to meet objectives)

Experimental Factors

© Stewart Robinson, *Simulation: The Practise of Model Development and Use* (Bloomsbury, 2025, 3rd edition)

Model Scope

Component	Include/Exclude	Justification
Entities:		
Activities:		
Queues:		
Resources:
