

Chapter 7: Doing group assignments

Task 1

You are part of a team of four developing a new student parking scheme for your university. You have four weeks to complete the project.

- Draw up a list of the tasks that need to be done in order to complete the project.
- Draw up a timeline showing when each task will start and when it will be completed.
- Identify who will carry out each task.
- Identify the major problems that you might face and some of the ways that you might solve these problems.

Task 2

Think about your own previous experience of working in groups.

- Did you find the experience useful or not?
- What were the positive aspects of the experience?
- What problems did you face and how did you solve them?
- What do you think are your own strengths in participating in group work?
- What are the things that you find difficult to do? How might you improve your group-working skills?
