5 The Realist Tradition 88

Genealogy 89
Currents of realist thought 90
The classical realist current 90
The neorealist current 94
The neoclassical realist current 95
Kinds of realist theory 96
Main variants of theories 99
Balance of power theory 99
Realist theories of alliances 101
Power transition theory 103
Main intra-tradition debates 104
Research agenda 106
Contents vii
Conclusion 110
Questions 110
Further reading 111
Websites for further information 112

6 The International Society Tradition 113

Genealogy 113
Currents of thought 115
Pluralism 119
Solidarism 121
Kinds of theory 125
Main variants of theory 126
A theory of international society 127
A theory of humanitarian intervention 128
Towards a theory of hegemony 129
Main intra-tradition debates 129
Research agenda 132
Conclusion 136
Questions 137
Further reading 138
Websites for further information 139

7 The International Political Economy Tradition 140

Genealogy 141
Currents of IPE thought 144
Realist IPE 144
Liberal IPE 147
Marxist IPE 149
The eclectic IPE current 150
Kinds of theory 151
Main variants of theory 152

Theory of hegemonic stability 153
Classic theories of imperialism 154
Dependency theory 155
World systems theory 156
Economic theories 157
Embedded liberalism 157
Main intra-tradition debates 159
Research agenda 162
Conclusion 162
Questions 164
Further reading 164
