

Mastering Arabic: *Clothing links*

It is difficult to provide up-to-date links to external websites where you can read in Arabic about clothing in the countries of the Middle East. It is better for you to search for relevant terms and then follow the links yourself.

We have provided some Arabic search terms below to help you start your journey. You can add other search terms to the list, according to your interests.

If you want to restrict the search to a particular country you can add في ('in') plus the name of the country. For example:

traditional clothing in the Emirates الثياب التقليدية في الإمارات

the colours of clothing in Iraq ألوان الملابس في العراق
