

Mastering Arabic: *Festival links*

It is difficult to provide up-to-date links to external websites where you can read in Arabic about festivals and pilgrimages in the countries of the Middle East. It is better for you to search for relevant terms and then follow the links yourself.

We have provided some Arabic search terms below to help you start your journey. You can add other search terms to the list, according to your interests.

If you want to restrict the search to a particular festival or country you can combine search terms. For example:

food in the month of Ramadan الطعام في شهر رمضان

Christmas in Lebanon عيد الميلاد المَجِيد في لبنان
