

Module R17 Quiz: Alcohol and Substance Awareness and Decision-Making

Question 1: List the four substances that teens are most likely to be exposed to in middle school or high school.

Question 2: Summarize at least three reasons why some teens decide to try alcohol or other substances.

Question 3: Explain why these reasons are actually NOT good reasons for teens to try a substance.

Question 4: Compare an image you may have seen in a movie, TV commercial, billboard, or on social media depicting alcohol, cannabis, or tobacco use with one or more of the real problems the substance might cause.

Question 5: What will you remember most from this lesson?

Module R17 Quiz Answer Key
