

AFRICAN HISTORY REFERENCE LIBRARY

Help decolonize your history course

Explore the history of over 50 African countries

This digital resource is a comprehensive introductory reference for students. The collection is comprised largely of Historical Dictionaries, helping them to understand key concepts and topics quickly.

- › Gain postcolonial context for **events from antiquity to the 21st Century**
- › Browse **timelines** in each Historical Dictionary
- › Explore **key topics** such as diplomacy, colonialism, and civil wars
- › Access authoritative titles from imprints such as Bloomsbury, Rowman & Littlefield, and ABC-CLIO into **one cross-searchable collection**

African History Reference Library supports you as you widen your course, and encourages students to discover in detail the varied history of the continent.
