

BLOOMSBURY
HISTORY

CONNECTING THE PAST

Discover the new home for history digital resources

Bloomsbury History connects students, researchers and faculty with primary and secondary history resources including eBooks, audio, articles, museum objects, maps, manuscripts and more; bringing global history to life for all learners. It unites existing Bloomsbury history collections with new ones in a single accessible, cross-searchable platform.

Bloomsbury History will help to link periods and topics, with theory, method and context.

Current collections:

- › 20th Century Military History
- › African American History
- › African History Reference Library
- › Bloomsbury Cultural History
- › Bloomsbury History: Theory & Method
- › Bloomsbury Medieval Studies Core Collection
- › The History of the Ancient World
- › Medieval Clothing and Textiles
- › Medieval Life and Culture
- › Medieval Literature Aloud: Chaucer Studio Audio Collection
- › Medieval World Reference Library
