

MEDIEVAL LITERATURE ALOUD

Chaucer Studio Audio Collection

Bringing the language and culture of the global Middle Ages to life

“Overall, this database is an excellent resource, collecting numerous classic texts and making them accessible to all.” –Booklist

This is an unrivalled learning resource for scholars and students of Medieval literature providing exclusive access to audio recordings of key works read aloud by leading experts, alongside a curated selection of scholarly eBooks including primary texts, research monographs, companions and more.

- › Experience audio works of commonly studied core texts on Medieval literature and language courses in full, including *The Canterbury Tales*, *Beowulf*, *Sir Gawain and the Green Knight*, *Piers Plowman*, *Dante's Inferno*, *Nibelungenlied*, and many more.
- › Discover a broad range of Medieval languages, from Old English, Middle English, and Old Norse, to Middle High German, Old French and Italian, as well as examples of Medieval music.
- › Follow along with source text-aligned transcripts and captions, available for a selection of the most commonly studied works.
- › Explore a curated collection of related eBooks, including pronunciation guides, scholarly essay collections and some modern English translations of featured works.
