

MEDIEVAL LIFE & CULTURE

A truly global look at the Medieval world

Discover artefacts from the Ancient Silk Road, daily life in the Medieval Islamic world, the cultural history of Judaism, and Nomai dance in Medieval Japan

This vibrant, curated collection of eBooks is dedicated to the interdisciplinary study of life and culture during the global Middle Ages. From family life and architecture, and music and games, to science and technology, and warfare and religion, this rich and diverse collection from publisher ABC-Clio provides a unique window into the everyday lives of people from across the Medieval world.

- › Explore all Medieval titles from the award winning Daily Life series which explores the daily lives of ordinary people through time and across the globe.
- › Gain an international perspective of the Middle Ages with titles exploring topics such as perceptions of worldwide migration, and the roles of women in the Medieval world.
- › Discover the interdisciplinary nature of this fascinating field of study through the lens of medieval artefacts, philosophical studies, material culture, cultural history, literature studies, and more.
