

Deliver the interior design curriculum, with all-in-one access to acclaimed textbooks and supplementary resources from Fairchild Books.

CONTENT HIGHLIGHTS

- Instant cross-searchable access to just under 70 textbooks by expert authors, from foundation-level classes up to studio courses
- Covers key subject areas: Construction; Drawing, Modelling and CAD; Principles and Approaches; Professional and Business Practice; Elements of Interior Design; and History, Theory and Criticism
- Bespoke instructor and student materials including: PowerPoints, flashcards, and more – to support instructors and keep students engaged with their learning
- Latest editions are made available as standard, to ensure users are exposed to the most up-to-date technical know-how and trends in professional practice

BENEFITS FOR TEACHING AND LEARNING

- Harness teaching resources that integrate directly with reading assignments and classroom teaching – developed by authors expressly to support instructors using the books in their teaching
- Enhance student learning with tools such as multiple-choice quizzes and flashcards, and personalization features allowing them to share and print content
- Support close student engagement with visual materials, techniques, and concepts via the high-resolution one and two-page PDF viewer which makes it easier for students to follow along with textbook assignments
- Browse content of interest seamlessly by pre-grouped subject areas, searching the tailored taxonomy for keywords, or navigate straight to relevant teaching or learning resources
