

## **Worksheet: Design a new building**

**Design a new building for London, so that the city is bigger and better than ever before. Use this sheet to plan your new building.**

What will your building be used for? Will it be a church, a palace, a hotel or something else?

---

---

What will your building be called?

---

---

Describe three features your building will have. Why have you chosen them?

Feature	Why have you chosen it?
1.	
2.	
3.	

What will your building look like? Draw your building below.
