

LIBERAL

[REDACTED]
 tough choices needed to cut
 millions
 more have taken pay cuts
 we will cut
 [REDACTED] completely
 cut too soon
 cuts on an objective
 bear cuts
 they need to cut
 to cut class [REDACTED]
 to cut classes
 We would cut the size
 of the central department of children
 prevention measures Cut
 cut the budgets of the rest
 [REDACTED]
 cuts to [REDACTED]
 its target to cut child poverty
 Cut rail charges
 a real-terms cut
 effectively to cut crime
 transport and cut
 what works to cut crime
 of a fair society and the best way to cut
 [REDACTED] the traveller and cut
 Cut rail fares
 a real-terms cut
 to private cars, and cut
 cut back central government
 by reforms that cut
 through spending cuts
 [REDACTED] could not be found
 make net cuts
 fenced from cuts

¹ all CU TS from the conservative, labour and liberal democrat manifestos, 2010, in order as they appeared

place cuts which could be realised
put into place cuts
the remaining cuts
scheme Cut
■■■■ education
civil service bonuses Cut
sector Cut ■■■■
government Cut
on bank profits Cut
top brass Cut
■■■■■■■■■■

LABOUR

risk by reckless cuts
people's savings, cut
We will not cut
cuts to lower priority
identified in cuts to lower priority
with cuts this year
and cuts to lower priority
should be cut immediately
in the future. To cut
cuts in lower-priority areas
will be cut by more than
two-thirds
cut them. And we have made our choice
cut at ten months
cut. More people
not cut. As family
— not cut — the Child
would cut police
elsewhere: continuing to cut
technology to cut crime

the taxpayer has been cut
by half
an easy target for cuts
■■■■ will be cut
back
and cuts to lower priority
■■■■ cut

CONSERVATIVE

*government will take action now
to cut*

So we will cut
include cuts

cut government contributions to Child
cut Ministers'

we will cut

Cut government

take action to cut
act immediately to cut

to cut a net
other countries have cut

boost employment. Cut
we will cut the headline
people cut down
this would cut fuel
the world's future. We need
to cut

cuts and reorganisations
will be able to cut the cost
get a grip and cut
that leads to violence. We will cut
police teams to cut crime
—payment by results—to cut
funding. We will cut the cost
cut the number
and cut Ministers'
cut Ministers'
cut the perks
cut the unaccountable
government will cut
cut household 
 10 per cent cut
we will cut

producers to cut back on production
cut across energy, education, community cohesion,
health, technology, international development and the environment

cut the target for the trained
the state cut off text
