# Figuratively speaking

**Look at each example of figurative language. Figurative language includes personification, metaphors, similes and symbolism. It is used to elicit emotion.**

**What does each piece of figurative language mean?**

**Then, consider why the author used each piece of figurative language.**

**Example 1:**

| What does it mean? | Why did the author use it? |
| --- | --- |
|  |  |

**Example 2:**

| What does it mean? | Why did the author use it? |
