

Joy:	Have yuh got the papers for the meeting ye' Carol;	<p>Current speaker selects next</p> <p>Question FPP requires answer</p> <p>Name selects speaker (disambiguates <i>you</i> as an address pronoun)</p>
Carol:	Yeah=they came in th's morning.	<p>Selected by previous speaker</p> <p>Does not select next speaker.</p> <p>SPP does not require further talk.</p>
Joy:	'N' did they get the <u>thing</u> a- (.)the <u>China</u> thing on the agenda,	<p>Speaker self-selects.</p> <p>Current speaker selects next</p> <p>Question FPP requires answer.</p> <p>Pronoun <i>you</i> selects a speaker (referent = Carol)</p> <p>Talk is designed as second to Carol's turn, makes it relevant for Carol to speak (disambiguates <i>you</i>)</p>
Carol:	Yeah i's down as ay oh bee.	<p>Selected by previous speaker</p> <p>Does not select next speaker.</p> <p>SPP does not require further talk.</p>
Joy:	Good. A' least we might get some progress then.	<p>Speaker self-selects.</p> <p>Does not select next speaker.</p>
Carol:	Yeah, if we're <u>lucky</u> . Tha's been dra:gging on for <u>ever</u> .	<p>Speaker self-selects.</p> <p>Does not select next speaker.</p>
