

		Trouble source	Who initiates	Mechanism	Who repairs
Barry:	the girls in our office are really busy now so I don't like to give them too much more to do				
Anna:	you mean the <u>women</u>	Girls	Recipient of trouble (other initiated)	You mean + correction	Recipient of trouble (other repair)
Barry:	well they're all doin' so much now an' I need to get someone else to take on some of the admin load. The women just have too much to do.				Note: repair is accepted by Barry, who uses the term women.
