

Imperatives & Negative Commands Game

- All words on this page are included on the GCSE vocabulary list (last exam 2017).
- Form a command with one of the verbs on the left, using either an imperative or noli/nolite.
- Add, if you wish, a location using a preposition and noun, and/or a direct object and/or indirect object, as appropriate.
- All students should follow any instructions given in the plural, but singular instructions are only for the person being addressed (with whom eye contact should be maintained)
