

# ALL ABOUT ME

## Picture

## Basic Information

1. Name: Leo
2. Age: 3
3. Neurotype: Autism

## Strengths & Interests

- Loves Superheroes
- Dancing to Elvis
- Eager to give things a go (with support)
- Talks lots including info bombing about interests

## Traits

- Immerses himself in play for long periods.
- High empathy for animals
- Repeats favourite phrases

## Support Needs

- Support with transitions and switching tasks. Leo takes time to move to adult-directed activities.
- Emotional support including knowing his different energy levels and how to respond.
- Peer play, including social relatedness, i.e. knowing how social rules can differ and finding a way to "meet in the middle".
