

# Compound Word Memory Game 1

## How to Play

1. Cut out each of the cards and place them upside down on a flat surface.
2. Players take turns to flip over two cards. If the picture matches the compound word on the word card, the player collects the pair and takes another turn.
3. If the cards do not match, the player turns them back over and then it is the next player's turn.
4. Continue until all the cards have been matched.
5. The player who has rounded up the most compound word matches wins the game!
