

Sentence Rummy Game

How to play:

- The purpose of the game is to try to make as many complete, detailed sentences as possible with the cards you have in your hands.
- Each player receives 7 cards. With these cards, try to make as many real, detailed sentences as possible.
- During play, each player can take a card from the pile or use a card that the other player(s) has discarded.
- The player with the most sentences at the end of the game wins.
- If a player uses all of their cards to make a sentence, the dealer should deal them 7 new cards.
- The game is finished once all of the cards have been used.
