BFI Film Studies

on Screen Studies

BFI Film Studies on Screen Studies brings together a rich body of titles from BFI Publishing's pre-eminent and foundational list of books on film history, theory, national cinemas, genres, film-makers, and stars. It includes titles published in the *BFI Screen Guides*, *World Directors*, *Film Stars*, *BFI Silver* and *International Screen Industries* series, as well as essential companions to film studies such as Pam Cook's *The Cinema Book*.

The BFI is a cultural charity, and the UK's leading organisation for film, television and the moving image.
