

ARTS & VISUAL CULTURE

Bloomsbury Collections provides excellence and originality in scholarship in the arts, humanities, and social sciences. It offers the latest critical thought, incisive insight, and accessible overviews to a comprehensive collection of dynamic disciplines. Discover our ever-expanding ebook library that offers more than 37,000 titles across 45+ subject areas.

These collections provide vibrant, cutting-edge scholarship, composed of a wide variety of richly-illustrated books on art and visual culture worldwide, spanning the 18th century to the contemporary. The list covers a range of topics: from material culture and art market studies, through our *Material Cultures of Art and Design* and *Contextualizing Art Markets* series respectively, to art and science, museum studies, art and gender, art and race, regional art and other, interdisciplinary, studies.
