

**Blue Cross of Idaho's
Multi-Tier Prescription Drug Formulary
for Qualified Health Plans**

This document is a searchable PDF. On your keyboard press Ctrl+F (Command+F for Mac) and a search field will open. Type in the name of the drug you are looking for in the search field, press enter and it will locate the name of the drug in the document.

Things to know about Blue Cross of Idaho's Multi-Tier Prescription Drug Formulary

The Blue Cross of Idaho formulary is a list of drugs approved by Blue Cross of Idaho's Pharmacy and Therapeutics Committee for coverage under your pharmacy benefit. The formulary includes brand name as well as generic drugs that have undergone rigorous testing and are approved by the Food and Drug Administration (FDA). Not all drugs approved by the FDA are covered under the Blue Cross of Idaho formulary.

The Multi-Tier Formulary

In most cases you will be responsible for a portion of the cost of each prescription you have filled, and depending on the drug prescribed, your cost can vary. The Blue Cross of Idaho formulary for qualified health plans has six tiers, with the first tier costing you the least and the sixth tier costing you the most. Asking your doctor to prescribe drugs listed in the first, second or third tier of the formulary can save you money.

Tier	Description
1	Preferred Generic Drugs are equivalent to brand-name drugs in dosage, safety, strength, method of administration, performance characteristics and intended use and Blue Cross of Idaho has rated as preferred due to their quality and cost-effectiveness.
2	Non-Preferred Generic Drugs are equivalent to brand-name drugs in dosage, safety, strength, method of administration, performance characteristics and intended use but come with an excessive cost compared to other alternatives within the same drug class.
3	Preferred Brand-Name Drugs are drugs that Blue Cross of Idaho has rated as preferred due to their quality and cost-effectiveness.
4	Non-Preferred Brand-Name Drugs are clinically effective medications, but come with an excessive cost compared to other alternatives within the same drug class.
5	Generic Specialty & Preferred Specialty Drugs are medications used to treat complex conditions and Blue Cross of Idaho has rated as preferred due to their quality and cost-effectiveness.
6	Non-Preferred Specialty Drugs are medications used to treat complex conditions, but come with an excessive cost compared to other alternatives within the same drug class.
ACA	Affordable Care Act Drugs are drugs prescribed for covered preventive services that are available at no cost to members of Qualified Health Plans.

Reading the Formulary

On the following pages, you'll find a list of prescription drugs and columns that list the tier they each belong to and any specific requirements or limitations.

Column Name	What you will find in each column:
Drug	Name of covered prescription drugs
Reference	Brand name of the covered generic drug listed in the Drug column. *Please see information below regarding Mandatory Generic Substitution
Tier	The tier assignment for the prescription drug listed in the Drug column
Notes	Requirements and limitations, as well as indicating if drugs are part of the Preventive Drug List for HSA Plans. See Abbreviation Dictionary on the next page for definitions and more information about the abbreviations.

Mandatory Generic Substitution

Your plan includes a mandatory generic substitution requirement. When a drug has both brand and generic forms available, the generic drug is listed under the **Drug** column as the covered option with the brand or trademark name listed under the **Reference** column. When you or your physician choose the brand name drug, in addition to any applicable cost share (deductible/coinsurance/copayments) for the brand name medication, you will pay the cost difference between the contracted cost of the generic drug and brand name drug. These cost difference amounts do not apply to your annual out of pocket maximum.

- Reference Specialty Drugs, designated by an SP in the Notes column, will apply a Tier 5 and 6 cost share prior to the cost difference calculation
- All other Reference brand name drugs will apply a Tier 4 cost share prior to the cost difference calculation

This formulary is subject to change as new products and information become available. Please refer to your contract for more information about the terms and conditions of your prescription drug benefit.

If you have questions about any of your medications, please discuss them with your doctor or pharmacist.

Abbreviation Dictionary

PA - Prior authorization

Medications that list PA need prior authorization from Blue Cross of Idaho before we will cover the drug. Your provider must provide documentation showing that the prescription is medically necessary. If prior authorization is not obtained, you may be held responsible for the entire cost of the drug. Please refer to your policy (also called a member contract) for more information about prior authorization. You can find a copy of your policy and detailed information on the prior authorization process online by logging into members.bcidaho.com.

PREV - Preventive Drugs for HSA Plans

Some preventive drugs may be available at no cost to members of High Deductible Health Plans, also known as HSA plans. Preventive medications are prescribed for the prevention of conditions or illnesses when individuals may be at high risk.

QL - Quantity Limits

Some formulary drugs can only be filled in limited quantities. These prescriptions have been found to be less effective or even dangerous when taken at higher than normal doses. The limits on OL drugs are in line with manufacturer's recommendations regarding safety and effectiveness.

SP - Specialty Drug Program

Specialty medications are generally prescribed for treatment of complex, on-going medical conditions. These medications are generally high cost, and have specific handling requirements. Specialty drugs may require filling through a specialty pharmacy, and all specialty drugs are limited to a 30-day supply per fill.

ST - Step Therapy

You may need to use one or more alternative medications before Blue Cross of Idaho can authorize benefits for the use of another medication. Blue Cross of Idaho wants to ensure providers are trying equally or more effective, low-cost options before recommending effective, but higher cost treatments.

AL - Age Limitation

Some drugs may only be safe or recommended for certain age groups. Blue Cross of Idaho places age limitations to ensure drugs are not prescribed to individuals who are not of the recommended age.

TF - Trial Fill

Some drugs may have their first fill limited to two, 15-day supply fills for the first 30 days to reduce waste. These drugs are selected based on high occurrence of side effects that may cause you to stop taking them. Additional refills can be for the full quantity when appropriate.

Effective as of 4/1/2026

Drug	Reference	Tier	Notes
ZURNAI INJECTION SOLUTION AUTO-INJECTOR		4	
Antiemetics			
*5-Ht3 Receptor Antagonists***			
granisetron hcl oral tablet		2	QL
ondansetron hcl oral solution 4 mg/5ml		2	
ondansetron hcl oral tablet		2	QL
ondansetron oral tablet dispersible 4 mg, 8 mg		2	QL
SANCUSO TRANSDERMAL PATCH		4	QL
*Antiemetic Combinations***			
doxylamine-pyridoxine oral tablet delayed release	Diclegis	1	
*Antiemetics - Anticholinergic***			
meclizine hcl oral tablet 25 mg	Dramamine	1	
trimethobenzamide hcl oral capsule		2	
*Antiemetics - Miscellaneous***			
dronabinol oral capsule	Marinol	2	QL
*Substance P/Neurokinin 1 (Nk1) Receptor Antagonists***			
aprepitant oral capsule	Emend BiPack	2	QL
Antifungals			
*Antifungals***			
flucytosine oral capsule	Ancobon	2	
griseofulvin microsize oral suspension		2	
griseofulvin microsize oral tablet		2	
griseofulvin ultramicrosize oral tablet 125 mg, 250 mg		2	
nystatin oral tablet		2	
terbinafine hcl oral tablet		2	
*Imidazoles***			
ketoconazole oral tablet		2	
*Triazoles***			
fluconazole oral suspension reconstituted	Diflucan	2	

Qualified Health Plan Formulary

AL=Age Limitation PA=Prior Authorization

PREV=Preventive Drugs for HSA Plans SP= Specialty Medication

ST=Step Therapy QL=Quantity Limits TF=Trial Fill

Effective as of 4/1/2026

Drug	Reference	Tier	Notes
fluconazole oral tablet	Diflucan	2	
itraconazole oral capsule	Sporanox	2	
posaconazole oral suspension		2	
posaconazole oral tablet delayed release		2	PA; QL
voriconazole oral suspension reconstituted	Vfend	2	
voriconazole oral tablet		2	
Antihistamines			
*Antihistamines - Alkylamines***			
corphena oral solution	RyClora	2	
RYCLORA ORAL SOLUTION		2	
*Antihistamines - Ethanolamines***			
carbinoxamine maleate oral solution		2	
carbinoxamine maleate oral tablet 4 mg		2	
clemastine fumarate oral tablet 2.68 mg	Clemsza	2	
*Antihistamines - Phenothiazines***			
promethazine hcl oral solution 6.25 mg/5ml		2	
promethazine hcl oral tablet		2	
promethazine hcl rectal suppository 12.5 mg, 25 mg	Promethegan	2	
PROMETHEGAN RECTAL SUPPOSITORY		2	
*Antihistamines - Piperidines***			
cyproheptadine hcl oral syrup		1	
cyproheptadine hcl oral tablet		1	
Antihyperlipidemics			
*Acl Inhib-Intestinal Cholesterol Absorption Inhib Comb***			
NEXLIZET ORAL TABLET		4	ST; QL
*Adenosine Triphosphate-Citrate Lyase (Acl) Inhibitors***			
NEXLETOL ORAL TABLET		4	ST; QL
*Antihyperlipidemics - Misc.***			
omega-3-acid ethyl esters oral capsule	Lovaza	2

rabeprazole sodium oral tablet delayed release	Aciphex	2	
*Quaternary Anticholinergics***			
glycopyrrolate oral solution	Cuvposa	2	
glycopyrrolate oral tablet 1 mg, 2 mg		2	
methscopolamine bromide oral tablet		2	
*Ulcer Anti-Infective W/ Proton Pump Inhibitors***			
amoxicill-clarithro-lansopraz oral therapy pack		2	
*Ulcer Drugs - Prostaglandins***			
misoprostol oral tablet	Cytotec	1	
Urinary Antispasmodics			
*Urinary Antispasmodic - Antimuscarinic (Anticholinergic)***			
fesoterodine fumarate er oral tablet extended release 24 hour	Toviaz	2	
oxybutynin chloride er oral tablet extended release 24 hour		2	
oxybutynin chloride oral solution		2	
oxybutynin chloride oral tablet 5 mg		2	
solifenacin succinate oral tablet	VESIcare	2	
tolterodine tartrate er oral capsule extended release 24 hour		2	
tolterodine tartrate oral tablet		2	
trospium chloride er oral capsule extended release 24 hour		2	
trospium chloride oral tablet		2	
*Urinary Antispasmodics - Beta-3 Adrenergic Agonists***			
mirabegron er oral tablet extended release 24 hour	Myrbetriq	2	
MYRBETRIQ ORAL SUSPENSION RECONSTITUTED ER		3	
MYRBETRIQ ORAL TABLET EXTENDED RELEASE 24 HOUR		4	
*Urinary Antispasmodics - Cholinergic Agonists***			
bethanechol chloride oral tablet		1

DISCRIMINATION IS AGAINST THE LAW

Blue Cross of Idaho complies with applicable Federal civil rights laws and does not discriminate, exclude or treat less favorably on the basis of race, color, national origin (including limited English proficiency and primary language), age, disability or sex.

Blue Cross of Idaho:

- Provides people with disabilities reasonable modifications and free appropriate auxiliary aids and services to communicate effectively with us, such as:
 - o Qualified sign language interpreters
 - o Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language assistance services to people whose primary language is not English, which may include:
 - o Qualified interpreters
 - o Information written in other languages

If you need these services, contact Blue Cross of Idaho Civil Rights Coordinator at 1-800-627-1188 (TTY: 711).

If you believe that Blue Cross of Idaho has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability or sex, you can file a grievance at:

Civil Rights Coordinator
3000 E. Pine Ave., Meridian, ID 83642
Telephone: 1-800-274-4018
Fax: 208-331-7493
Email: grievancesandappeals@bcidaho.com
TTY: 711

You can file a grievance in person or by mail, fax, or email. If you need help filing a grievance, our Civil Rights Coordinator is available to help you. You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights electronically through the Office for Civil Rights Complaint Portal, available at <https://ocrportal.hhs.gov/ocr/smartscreen/main.jsf>, or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue SW., Room 509F, HHH Building, Washington, DC 20201, 1-800-368-1019, 800-537-7697 (TDD). Complaint forms are available at <https://www.hhs.gov/ocr/complaints/index.html>.

ATTENTION: If you speak Arabic, Bantu, Chinese, Farsi, French, German, Japanese, Korean, Nepali, Romanian, Russian, Serbo-Croatian, Spanish, Tagalog, or Vietnamese, appropriate auxiliary aids and language assistance services are available free of charge. Call 1-800-627-1188 (TTY: 711).
