THIS WEEK'S SERMON RECAP

In this message we are encouraged to think about key choices we've made in 2023. Some of our decisions were big. Some of them were small. We made thousands of choices, and each one of those choices shaped us, made its mark on us at least a little bit.

So as we reflect on the choices of the last 12 months we're asking if we've been choosing wisely.

DISCUSSION QUESTIONS

1. Reflect back on 2023, as you reflect the choices of 2023, did you make any that you wish you could have back?
2. Do you have any regrets from this last year? How can you get past those regrets?
3. What are you proud of in 2023?

4. What commitments did you make in 2023? Will you be taking those commitments in 2024 with you? Why or why not?

5. What choices will you make in 2024 to make it a better year than the last?

NEXT STEPS FOR THIS WEEK (COMMIT TO GROW)

- I will be ruthlessly honest about what I've done wrong.
- I will take some time to confess and be as concrete as I can be.
- I will share my regrets with a trusted friend.
- I will set things right with someone I've been carrying a grudge against.
- I will receive God's forgiveness for my regrets.
