Hello,

Congratulations on achieving your certification with DONA International! This is a meaningful accomplishment, and we are proud to recognize the dedication, perseverance, and commitment that brought you to this moment.

It reflects your readiness to uphold professional standards, engage in ethical practice, and provide informed, compassionate support to families during pregnancy, birth, and the postpartum period. You have demonstrated the knowledge, skills, and integrity expected of a DONA-certified professional.

As you move forward, know that you are joining a global community committed to advocacy, education, and continuous growth. The work you do will leave a lasting impact on families and communities, and your role as a certified professional carries both responsibility and honor.

We celebrate this milestone with you and look forward to the positive influence you will have in the field. Thank you for your dedication to excellence and for choosing to certify with DONA International.
