CERTIFICATE OF COMPLETION

Become a Newborn Care Specialist

Proudly presented to

Flor Johanna Chicas

This is to certify that the recipient has successfully completed the Pro Newborn Care Specialist Training Course and fulfilled all program requirements. Through this training, they have demonstrated professionalism, dedication and a strong commitment to the care of newborns and their families. The recipient has acquired foundational knowledge, practical skills and ethical standards essential to working as a Newborn Care Specialist. May this certification stand as a testament to their hardwork.
