

How to create a Brentford FC ticketing account

We use single sign-on, which means: if you have previously had an account with us there's no need to make a new one. Simply log in and you're in!

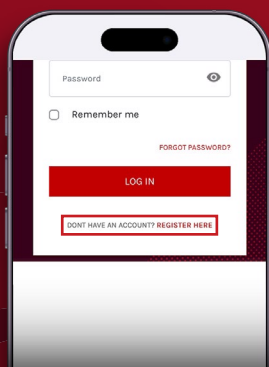

1

Head to www.eticketing.co.uk/brentfordfc

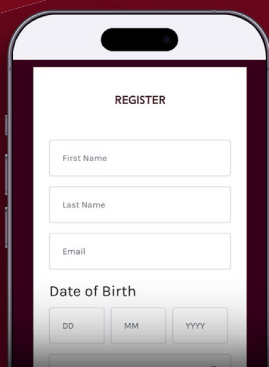

2

Select the profile icon in the top right corner. You will be sent to the single sign-on login portal.

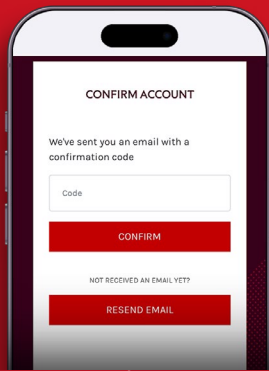

3

Select **'Register Here'**

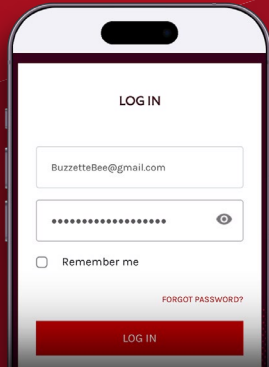

4

Enter your details, select your communication preferences, and select **register**

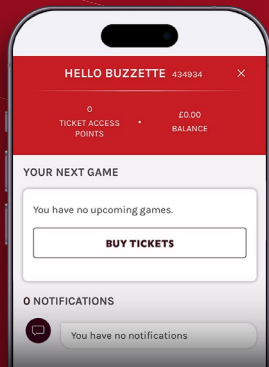

5

We will send you an email with a confirmation code. **Enter the confirmation code, and select confirm.**

6

Log in to your newly created account.

7

Select the profile icon in the top right corner to view your fan number and account details including fan number, number of TAPs and account balance.
