2

Click the **profile icon** in the top right corner and select '**View Account Menu**'

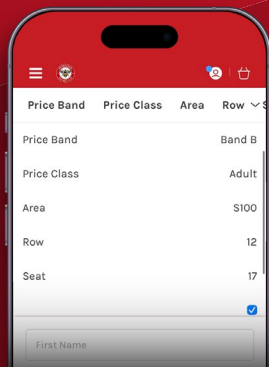

3

Select '**Ticketing**', then select '**Ticket Transfer**'

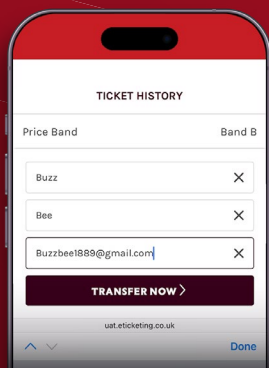

4

Select the fixture

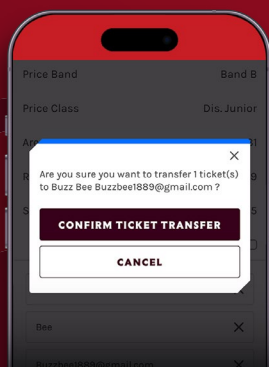

5

Choose the seat(s) that you want to transfer

6

Input the first name, last name and email of the recipient. Select **'Transfer Now'**.

7

You will receive a confirmation email, and the recipient will receive an email with their transferred digital ticket to be added to their Apple Wallet or Google Wallet

Please note:

If the person receiving the forwarded ticket doesn't have access to a mobile device, they'll need to collect a physical ticket from the Brentford FC box office and show valid ID to confirm they are the correct recipient.
