

How to access and download your digital ticket

1

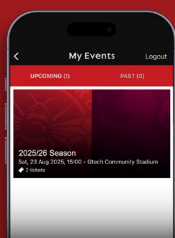

Please make sure you have the **latest version of our app** installed to access your digital tickets

2

Having selected 'Access Tickets'

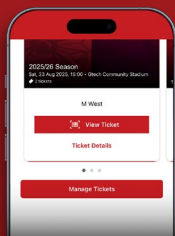

You'll be directed to the events hub, where you will be able to access any match tickets you have purchased

3

Select your ticket

If you have purchased tickets for a junior in your Friends & Family Network, this is also where you will find their tickets

4

Select 'View Ticket' to see your barcode

You'll only be able to view barcodes and download tickets for juniors in your Friends & Family Network if you're the lead booker

5

Select 'Add to Wallet'

6

Your ticket will then be stored in your **Apple Wallet or Google Wallet**, ready to use offline at any time for the whole season
