3. To prevent injury DO NOT open or tamper with internals of this device
4. Power surge/power loss could possibly reset smart device. If this happens follow setup instructions.

BrilliantSmart app screens may differ due to application updates & improvements.

Disposal

Please dispose of this packaging and product thoughtfully once it has passed its useful life. When your smart device comes to the end of its life or you choose to update or upgrade it, please do not dispose of it with your normal household waste. Please recycle where facilities exist.

When disposing of this fitting, check with your local authority for suitable options.

Warranty

Brilliant Lighting warrants this product against defects in manufacture and workmanship for a period of 12 months from date of purchase. Warranty does not include damage or loss arising from incorrect installation, operation or maintenance of this product, damage caused through modification, or incorrect installation.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

Any claim under this warranty must be made within 12 months of the date of purchase of the product.

Refer to our website brilliantlighting.com.au for terms and conditions and warranty claims.

2

Installation

BEFORE INSTALLATION, PLEASE CHECK THAT THE LOCATION OF THE SMART DEVICE IS WITHIN RANGE OF YOUR HOME WIFI AND SIGNAL IS STRONG.

Place adhesive tape on base of camera

Position Device in desired location

Connect USB cable into Device and adaptor and plug into power outlet. Continue with WiFi Setup on following pages.

3

Connect to your WiFi

Ensure your mobile phone is connected to your 2.4GHz WiFi network.
Your mobile phone and smart device needs to be within 2 bar range of your WiFi router.

Download the BrilliantSmart App

Please download the free BrilliantSmart app from the App store or Google Play store, or scan the QR code below.

Register the BrilliantSmart App

Open the BrilliantSmart app.
For new users, register a new account or if existing user, login with your user name and password.

4

Configure your BrilliantSmart App

Setting up your Home

You can setup multiple homes or locations. Click **'Add Home'** button. Or Click on **'Home'** top left if you are adding or modifying details then **'Home Management'** to setup your home(s), add or rename rooms and share devices.

Add your Smart Device to your App

1. On initial power-on the red indicator light comes on and after approx 10 seconds the camera will chime.
2. After approximately 25 seconds the camera indicator light will blink red and be ready to pair.
3. Open the BrilliantSmart App, tap **'Add Device'** (if empty room) or **'+'** to add your smart device.
4. Select **'Smart Camera'** in the list of devices then press **'next step'**.
5. If camera is blinking then press **'Confirm light blinks rapidly'**. Continue following connection guide.

5

6. Enter your WiFi password and press **'Confirm'**.

7. Scan the **'QR Code'** with smart camera. Hold **'QR Code'** (on your phone) approx. 15-20 cm in front, facing the smart camera lens.
8. Wait for 3 chimes from camera, then select **'I Heard a Prompt'**. The camera will now start connecting to the app. Wait until 100% complete.
