Before first using your new Brilliant Fluorescent Ceiling light, it is most important that you read and follow these instructions, even if you feel you are quite familiar with this type of product. Retain this document for future reference.

THIS FITTING MUST BE INSTALLED BY A QUALIFIED ELECTRICAL CONTRACTOR

Installation Instructions:

1. Ensure mains supply is switched off.
2. Unpack the fixture carefully and place it on a flat surface.
3. Remove the diffuser by gently releasing the 3 levers (C) on side of the fixture. Lift the diffuser straight off the fitting.
4. Drill holes in the ceiling using the holes in the fixture 'A' as a template.
5. Use screws and suitable fixture system to secure the fixture 'A' to the ceiling ensuring that the mains wire is through the entry hole.
6. Connect the Live(L), Neutral(N) and Earth (⊕) according to the markings on the terminal block.
7. Fit the correct size and wattage circular fluorescent tube (B) (included) making certain that it is secure in the retaining clips
8. Install the diffuser (D) ensuring that the levers (C) are in the open position prior to closure. To complete installation of the diffuser close the levers (C) gently all the way.
9. Switch on the mains supply.
10. Switch on the light at the wall switch.

WARNING:

- Not designed for outdoor use.
- This fitting must be earthed.
- Failure to follow these instructions will result in breakages and will invalidate warranty.
- For safety reasons, any installation, repair or inspection must be done by a qualified electrician or electrical contractor, in accordance with Australian Standards.
- If product is functioning irregularly, please TURN OFF the power and contact the nearest authorized dealer.
- Do not perform unauthorised modification to the light fixture.

Avebury Fluorescent Ceiling Lights

Warranty:

Brilliant Lighting warrants this product against defects in manufacture and workmanship for a period of 2 years from date of purchase. For products used in non-domestic or commercial applications, Brilliant Lighting warrants this product for a period of 3 months from date of purchase. This warranty is only valid for products installed by a qualified electrical contractor and operated within the guidelines specified by Brilliant Lighting, and within the correct operating voltage ranges as stated on the product's rating label.

Warranty does not include damage or loss arising from incorrect installation, operation or maintenance of this product, damage caused through modification, incorrect installation, service by unqualified or unauthorised personnel or lack of regular maintenance and cleaning. Proof of installation by qualified personnel may be required, eg. Electrical Safety Certificate. Proof of purchase must be supplied with all warranty claims.

This warranty is provided in addition to any other rights and remedies of the customer under any law. In applications not intended for household, personal or domestic use, liability is limited to replacement or reimbursement of product only. Brilliant Lighting does not warranty the costs of removal or re-installation of this product or associated components.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

Any claim under this warranty must be made within 2 years of the date of purchase of the product. To make a claim under the warranty; at your own expense take the product (with proof of purchase – receipt or similar) to the store where you purchased the product or contact Brilliant Lighting at the address below.
