

# VALLA RGB DECK LIGHT ADD-ON KIT 4PK

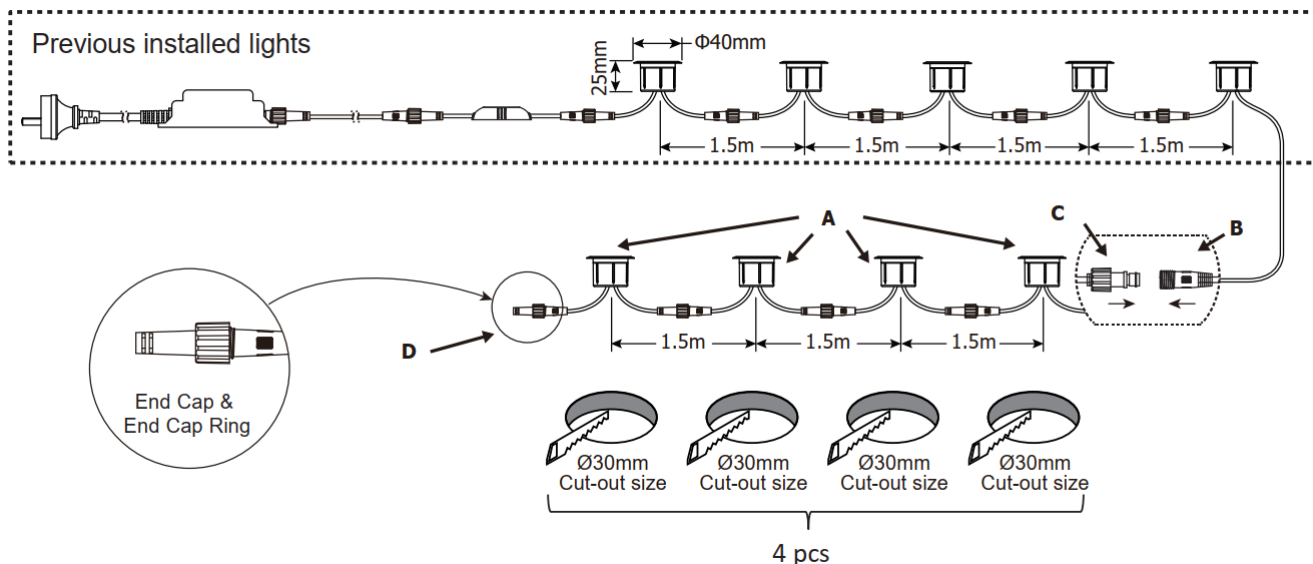

20945/16

Before first using your new Brilliant VALLA RGB DECK LIGHT, it is most important that you read and follow these instructions, even if you feel you are quite familiar with this type of product. Keep this document handy for future reference.

## DIY INSTALLATION

### For Your Safety

- To prevent electrical shock, please ensure the power is OFF before the installation.
- There are no user serviceable parts within this kit. If transformer fails, replace with an identically rated unit.
- If you aren't familiar with this type of DIY fitting or unsure how to install it, please contact a licenced electrician for installation.

### Installation

1. ENSURE POWER IS SWITCHED OFF PRIOR TO INSTALLATION.
2. DO NOT EXCEED THE ORIGINAL POWER SUPPLY RATING WHEN ADDING THE RGB DECK LIGHTS.
3. Position the lights in the selected/desire locations, and ensure there is sufficient cable to reach the previous last installed light.
4. Make sure the previous installed transformer has enough power to supply the additional lights.
5. Cut holes in the selected surface, large enough to accommodate the lights fittings. (Nominal size – diameter 30mm. Depth > 25mm)
6. Place the LED lights “A” into the holes.
7. Connect male connector “B” into female connector “C” attached to each fitting (refer above) and ensure the connector are placed in a well drained position. Ensure the connectors are secure and firm.
8. Fit the end cap and end cap ring to the last connector ‘D’.
9. Do not cut the cable. If light cable is not long enough, use the extension cable (not included). Brilliant VALLA extension cable model number 20946 is compatible.
10. Plug in the power supply plug into power outlet and turn the switch on.

### Specifications

**Input :** 6V 0.3W MAX per light

**Cable Length :** 1.5m

## Warranty:

Brilliant Lighting warrants this product against defects in manufacture and workmanship for a period of 2 years from date of purchase. For products used in non-domestic or commercial applications, Brilliant Lighting warrants this product for a period of 3 months from date of purchase. This warranty is only valid for products installed by a qualified electrical contractor and operated within the guidelines specified by Brilliant Lighting, and within the correct operating voltage ranges as stated on the product's rating label.

Warranty does not include damage or loss arising from incorrect installation, operation or maintenance of this product, damage caused through modification, incorrect installation, service by unqualified or unauthorised personnel or lack of regular maintenance and cleaning. Proof of installation by qualified personnel may be required, eg. Electrical Safety Certificate. Proof of purchase must be supplied with all warranty claims.

This warranty is provided in addition to any other rights and remedies of the customer under any law. In applications not intended for household, personal or domestic use, liability is limited to replacement or reimbursement of product only. Brilliant Lighting does not warranty the costs of removal or re-installation of this product or associated components.

*Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.*

Any claim under this warranty must be made within 2 years of the date of purchase of the product. To make a claim under the warranty; at your own expense take the product (with proof of purchase – receipt or similar) to the store where you purchased the product or contact Brilliant Lighting at the address below.
