-----------------------------	---------------------------	-----------------------------------	---	----------------------	------------------------

Make an impact in any large space with the extra large Xtreme 178cm ceiling fan influenced by contemporary and industrial design. With its six large, precision engineered and staggered ABS blades, driven by an 45W DC motor, the Xtreme is designed specifically to move very high volumes of air. Ideal for large interior spaces and outdoor undercover areas.

- Quick-Connect wiring speeds up the installation process.
- ABS Blades are strong, easy to clean and fade resistant, ABS blades for quiet operation and airflow.
- Suitable for indoor and covered outdoor coastal locations.
- Includes 5-speed remote with summer/winter setting, and timer function.
- Powerful energy efficient 45W DC motor circulating up to 19909m³/hr of air

APPLICATIONS

- Large lounge and family rooms
- Indoors or enclosed alfresco areas not exposed to the weather
