

SENSA-FLOW EXHAUST FAN WITH SENSOR

- 240V/50Hz
- 18W MOTOR
- 320 m³/hr AIRFLOW
- ∅150
- 3YR WARRANTY

The Sensa-Flow is a square wall or window exhaust fan which automatically turns on when you walk in the room making it a popular choice for busy households. Installing a fan on the wall or window is also ideal for spaces where there is limited ceiling or roof space.

- Square design wall or window exhaust fan.
- High performance, long life motor
- Efficient extraction to remove moisture and steam
- Advanced PIR motion sensing.
- Sensor range of 120 degrees x 5 metres.
- New movement will restart the ON time (1 minute)
- Compact, low profile design
- Removable cover for easy cleaning
- Integrated fly-proof net to keep insects out.
- Includes 40cm 2-wire lead for hardwired installation.
- Fastening ring for window installation.

APPLICATIONS

- For bathrooms, laundry, kitchen, toilets to other spaces that require ventilation to the outside.
