The Jean-II is a small, compact vanity light in a classic silver finish. The slim and simple design makes it a popular choice for many bathrooms and laundries. The light has a 4200K neutral white light source that sits behind an acrylic diffuser producing a bright, soft illumination.

- Bright white light 4200K colour temperature.
- Polycarbonate diffuser to minimise shadows and glare, whilst providing ample light.
- IP20 rated for indoor use.
- Made from durable aluminium, and acrylic components
- Light fits flush with mirror.
- Features an attractive silver aluminium finish.
- 3-year replacement warranty

APPLICATIONS

- For use in bathrooms, kitchens, laundries and powderrooms
