# Welcome to Lincolnshire Horse Trials 2023!

## On behalf of Riseholme College, a huge welcome to Lincolnshire Horse Trials 2023.

Despite the less than favourable weather that greets my window as I write, the Lincolnshire Agricultural Society teams, the College and Joe Weller, our Cross Country designer and his team, have been busy for several weeks preparing for this early season showcase.

Since last year, we have taken on board your feedback, and thank all those who took the time to reply to our feedback invitation. As the saying goes, "You Said, We Did" we have worked closely and carefully with the Lincolnshire Agricultural Society to respond to suggestions:

Showjumping -- the unfavourable position of the SJ arena alongside the A15 has been relocated to the Showgrounds grass arenas near to the stabling area. These arenas offer ample space for re-siting of fences whilst creating a central 'hub' of the event.

Secretaries -- since the COVID-19 pandemic, the developments in our online processes to include printing competitor numbers at home have much reduced the need for a secretaries office. To create a more central feel for the event, the secretaries will be relocated to the Showgrounds permanent control tower.

Tradestands -- to further emphasise the 'hub' of the event, our tradestands that include saddlery and food outlets will be located much closer to the lorry parking, overlooking the newly located Showjumping ring.

We hope that these amendments make your experience of Lincolnshire Horse Trials event better for 2023, but as always - we welcome your feedback!

Our heartfelt thanks go to all of those engaged with this event, the officials, the showground staff, the contractors, our College staff and students and, of course, the multitude of amazing volunteers that give up their precious spare time to assist with the running of this event. The number of people it takes to put on a Horse Trials is phenomenal and a real testament to the sport of eventing that people give up their time and expertise to facilitate Horse Trials up and down the country.

*Wishing everyone another year of enjoyable, competitive and safe eventing and thank you for joining us here at Lincolnshire.*

Thank You and Best Wishes

Catherine Sykes

## Prize Money for 2023

The scale of prize monies must fall within the calculation of the prize money calculator unless specifically agreed by the Chief Executive for each deviation therefrom.

Ascertainment. The prize money is determined using the prize money calculator ([www.eventingscores.co.uk/be\\_prize.money.php](http://www.eventingscores.co.uk/be_prize.money.php)) which adheres to the following principles:

The prize money fund is a fixed percentage of the section revenue (Dressage starters multiplied by Entry Free plus Start Fee less VAT) as per the table below.

The first placed Competitor in each section will be awarded prize money of at least the value of Entry and Start Fee less VAT as per the table below.

# Health and Safety Policy

## General

The Event Organiser, named in the programme, has overall responsibility for health and safety and appoints a Health and Safety Steward, also named in the programme, to ensure that all the appropriate Health and Safety legislation is complied with.

a) The Organiser, named in the programme undertakes to run the competition in accordance with the British Eventing rules and guidance.

b) The Organiser is required to ensure all Chief Stewards appointed by the Organiser have received, read and understood the relevant section of the guidance to ensure they are aware of the requirements and standards for their area of responsibility.

c) The Health and Safety Steward (primarily) and the Organiser are required to ensure the area of competition and those accessible to the public and other Officials are (so far as is reasonably practicable) subject to a risk assessment

and that this, and a record of the actions taken, is documented in the event's Health and Safety Plan.

## Officials

Stewards, judges and officials are briefed in their duties and provided with the relevant equipment to carry out their duties.

- a) They are required to bring to the attention of the Health and Safety Steward any concerns they have for the Health, Safety and Welfare of the public and the officials.
- b) They are required to bring to the attention of the BE Technical Adviser or Steward any concerns they may have for the Health, Safety and Welfare of the competitors.

They must ensure they have complied with all statutory legislation regarding equipment testing, staff training and equipment erection. They must ensure they dismantle their equipment without harm to the public if they choose to before the close of the event and the public have left.

## Advice to the Public

The organisers of this event advise that due to the uneven and, in parts, irregular terrain at this event it may at times be difficult for spectators to move around freely and easily, as a result of which, it may not be suitable for those spectators who suffer from certain medical conditions.

# British Eventing

A Horse Trial is a comprehensive test of all round horsemanship and involves almost every activity of which the horse is capable. The completion is scored entirely on a penalty basis and the three phases – Dressage, Show Jumping and Cross Country – must be completed by every competitor.

The Dressage Test is ridden in a rectangular arena and involves performing sequences of movements at walk, trot, and canter. Each movement is awarded from 0 to 10 marks by the Judge and these are converted to penalties by subtracting them from the maximum obtainable. Although competitors sometimes earn maximum marks for individual movements, no one has ever scored a “possible” for the complete test, so it is safe to assume that they will all incur penalties in the first phase.

The Show Jumping is the second phase of the event. Falls incur 8 penalties, one refusal 4 and a second refusal 8, whilst knocking down a fence incurs 4. Exceeding 24 penalties in the round incurs compulsory retirement from the event.

The third and most important phase of a Horse Trial is the Cross Country in which the jumping potential, speed, courage and endurance of a well schooled and fit horse is tested. Jumps are solid and imposing and intended to test the rider’s confidence in his horse and prove his judgement of speed over natural country.

Mistakes are severely penalised with 20 penalties for the first refusal, 40 for the second at the same fence and elimination for a third refusal at the same fence; there are 65 penalties for a fall. It is not a race, but speed and judgement of pace are very important because a fairly tight optimum time is set for each class and penalties are incurred for exceeding it.

The BE100 course is about 1.5 miles long with 18 to 25 obstacles, none higher than 1.00 metre or a greater spread than 1.10 metres at the highest point. No more than 2 obstacles are composed of several elements. The Novice course is approximately 1.5 miles long with approximately 20 numbered obstacles, none higher than 1.10 metres or a greater spread of 1.40 metres at the highest point. The Intermediate course which is approximately 2 miles long with approximately 22 numbered obstacles, none higher than 1.15 metres or a greater spread of 1.60 metres at the highest point.

The penalties for the three phases – Dressage, Show Jumping, and Cross Country – are added together and the competitor with the lowest total is the winner.
