A horse which has won no points under BE Rules in the current and preceding two calendar years may be downgraded and deprived of all its points and therefore be treated as a Grade IV horse.

A horse/pony which has been downgraded is not eligible to qualify for any Regional Finals or Grassroots Championships. If a downgraded horse/pony wishes to move up the ladder again, then it must fully requalify - see the BE Rule Book for details.

A horse/pony may only be downgraded <u>once</u> during its lifetime.

Under no circumstances may the name of a horse which has been downgraded be changed.
