#### GUIDANCE NOTES

##### SEASON TICKETS CANNOT BE PROCESSED UNTIL THE RIDER HAS A CURRENT FULL MEMBERSHIP AND THE OWNER HAS AT LEAST A CURRENT OWNER MEMBERSHIP.

Season tickets can be processed from mid January. Requests for a change of recorded ownership must be made to the British Eventing office using the Change of Ownership form (available on [www.britisheventing.com](http://www.britisheventing.com) or via the office). See Rule Book: Equine Registrations for full details.

- A. INITIAL REGISTRATION  
If your horse has NEVER been registered by you, or to your knowledge, by anyone else.
- B. SEASON TICKET RENEWAL  
If your horse has EVER been registered, or had a horse day pass within the current season.  
If this is the first time the horse has had a season ticket renewal since a change of ownership has taken place, you will also need to complete a change of ownership form (available online or via the office) and return it with this form.
- C. HORSE NAMES  
All initial registrations/season ticket applications must be in the name entered on the horse's passport. The only exceptions being:  
If the name is the same/similar to a horse already registered with BE, in which case a suffix will be added to the name (i.e. I, II, III etc).  
If the name includes a word or words registered with the Central Prefix Register. These words can only be used in the name if approved by the person registered with the CPR or if the Chief Executive approves. It is the owner's responsibility to ensure that this requirement is complied with.  
If the name is considered by the Chief Executive to be offensive, or deemed to be unsuitable, the Chief Executive must then approve a suitable alternative.  
If no name is entered on the passport, the passport must be returned to the PIO to enter a name, before the horse can be registered by BE.  
If the charge for this is very high, an application can be made to the Chief Executive to waive this requirement.  
Punctuation marks and symbols are not permitted.  
In the instance of a horse being registered with a commercial name/prefix unknown to BE, and a subsequent legal case being brought, all responsibility lies with the person responsible for that registration.
- D. IMPORTED HORSES  
Foreign horses imported by British Nationals will be automatically classified as Grade I (61+ points). However on production of a certificate from the National Federation of the country of origin, indicating its record in overseas events, the horse may be re-graded at the discretion of the Board.
- E. PREFIX/SUFFIX  
A prefix/suffix for a horse can be purchased and added to the name at a cost of £100. This will be for competition purposes only. A prefix/suffix can be removed at any time at a cost of £15. See Rule Book for further details. A prefix/suffix application form can be downloaded from the BE website [www.britisheventing.com](http://www.britisheventing.com) or via the office.

All Initial Registrations should be accompanied by a PHOTOCOPY of the horse name and breeding details from the passport. These must be sent in BEFORE a season ticket can be issued. Application forms will be returned to you if these are not received within 28 days.

Please indicate the appropriate category for your horse:
