Athletic Trainer

A certified athletic trainer will be on site during both sessions, as well as 30 minutes prior to each session.

Weather

The UCF Campus is equipped with a Lightning Prediction System called Thor Guard. The system, when lightning is predicted, activates a series of horns and strobe lights to warn those working outside to seek shelter immediately. If the system is activated, we will follow proper protocol and will resume activity once the system is cleared. In the event of RAIN, camp will go on as scheduled UNLESS the fields are deemed unplayable and/or unsafe.
