Improved Productivity=Savings

ISOHERM Cool Vests provide:

- Hours of effective cooling
- Improves productivity by 22%
- Savings - vest pays for itself in under three weeks

NOTE:

- ❗ The period of cooling depends solely on work activity and environmental conditions.

Stay Cool & Visible with the ISOHERM Class 2!

Meets ANSI/ISEA 107-2010 Class 2 High-Visibility requirements. Wear this vest when working in or near roadways to meet the U.S. Dept. of Transportation Federal Highway Administration's *Manual of Uniform Traffic Control Devices*.

ISOHERM Replacement Packs

No waiting. No down time. Keep extra cool packs ready for instant on-site changes. ISOHERM packs are designed to expand up to 400% without damage. The cooling agent within the pack is a safe, non-toxic, and non-carcinogenic formulation. Cool packs may be re-energized thousands of times, providing hours of safe, controlled body temperature management.
