

Range and Dryer SRDT Cords

At **Voltec** we stock a full line of 3 and 4 wire SRDT cords manufactured with molded right angle plugs. The 3 wire cords are required for homes built before 1996 and 4 wire for homes built after 1996. Our 3 and 4 wire cords come standard with ring connectors, in your choice of plugs rated from 30–50 amps, and are available in 4 and 6-foot lengths.
