HOW WE DESIGN MATTERS

We don't just design furniture we design a user experience. The aim of both our product and layout designs is to unlock potential. Our in-house design team attend world trade shows during the year to stay abreast with international design standards.

Based on your company culture, goals and employee needs we can help you create an office space as unique as your business.

HOW YOU WORK MATTERS

We believe that the world needs innovative entrepreneurs and successful small businesses; and that intentionally designed offices spaces and a vibrant office culture play a big role in their success.

By investing in the right office furniture and considered layout, leaders can take full advantage of their office space, effectively increasing productivity, lowering sick days and ultimately providing a return on investment that allows any business to prosper.

HOW WE PLAN MATTERS

With state of the art manufacturing software we can design, optimise, components and calibrate machines from a central program.

Meticulous planning guarantees on-time deliveries, with a lead time of just 10 working days in Gauteng and 15 working days in all other areas.

HOW YOU MEET MATTERS

The office can be strategically leveraged to encourage interaction and build synergy that will lead to behaviours that enhance innovation.

From formal presentations to informal brainstorming, from team meetings to client meetings, we can help you create an environment to facilitate and enhance the quality of these engagements.

HOW WE CREATE MATTERS

ENTRAWOOD and ENTRAKOR are proudly South African with over 30 years of experience in manufacturing office furniture. We promise

High-quality products backed up by our 5-year manufacturing guarantee as well as a minimum of 90% local (SA) content on our main ranges.

HOW YOU FEEL MATTERS

Designing an environment, not just for visual impact, but also for health, comfort, flexibility and ease of use, ensures that you cultivate a happy, healthy and considerate company culture.

We offer complimentary space planning services to help you take full advantage of the structural and environmental elements to create a great employee experience.
