ACCIDENT ASSIST

In the unfortunate event that you are involved in a vehicle accident, please call our **Emergency Call Centre** on **0118010000**, **Whatsapp** or **TELEGRAM** us on **0824754323** or use our **24EA App** (Please save these numbers on your phone)

Can Infinity will dispatch an approved towing operator to uplift your vehicle and take it to an Auto Accident Assist approved storage yards or repairer nationwide, where you will receive three (3) days free storage for your vehicle.

Our qualified and friendly agents will dispatch ER24 if necessary and transport injured individuals to the nearest hospital.

Our service provider/Tow operator will take photos of the scene of the accident, damages to your vehicle as well as the other party's vehicle.

The Tow operator will also take the details of the other party to assist you in recovering your damages from the guilty party or his/her Insurer

ROADSIDE ASSIST

This Can Infinity Roadside Assistance plan is designed to assist you in emergency situations for vehicle breakdowns. A well-managed panel of contracted service providers including Tow operators, mechanical, electrical and locksmith specialists are available to assist you with emergency repairs or tow-in. This 24/7 Emergency Roadside assistance program is provided to the member within the borders of the Republic of South Africa.

Please note: This is an emergency service and this benefit does not cover replacement of parts, electric/electronic equipment or any consequential damage etc.

1. Breakdown Towing Services

In the event of a mechanical or electric failure and you require towing Can Infinity is there to help. A towing operator will be dispatched to tow your vehicle to the nearest approved dealer or to your place of residents, whichever is the closes.

In the event of the towing taking place after hours, public holidays or weekends your vehicle will be stored in safe storage for the evening. On the next working day, the vehicle will be relocated to the nearest approved dealer or repairer.

2. Tow-in Distance

Can Infinity is only liable to provide tow service for the distance from point of incident to the nearest Panel Beater/Storage facility or your place of residence, whichever is the closest. The service does not include tows from one repairer to another/your place of residence or from your place of residence to a repairer. Can Infinity can however assist you in these instances on a cash basis

These services can be obtained through our pay now services on our website www.caninfinity.co.za our 24EA App or call centre on 011 8010000.

3. Emergency Fuel Delivery

Should it be required in an emergency situation where your vehicle runs out of fuel, a limited supply of fuel will be delivered to you to enable you to reach the nearest petrol station.. The cost of the fuel will be for your own account.

4. Flat Tyre Assistance

If the vehicle's tyre is inflated and a replacement/spare tyre is available, we will replace the flat tyre with the spare tyre at the scene of incident. In an event that a spare tyre is not available, towing will be provided under the towing benefit.

5. Battery Jump-Start

Should your vehicles battery be flat/dead, we will jump-start your vehicle or replace you battery and scene of incident. The cost of the new battery will be for own account

6. Vehicle Lockout Service (Locksmith)

in the event of your vehicle keys being locked in the vehicle, a locksmith will be appointed to unlock your vehicle.

Lost, broken keys or locks is excluded from this benefit.

7. Electronic Message Relay Service

Can Infinity will relay a message via telegram or E-Mail to you, a family member or friend whom you had selected in the RSA in the event of a breakdown or accident as soon as you or the driver of your vehicle reports an incident to our emergency call centre.

You will also be able to log onto our website to determine where your vehicle is if you were not the driver, what the cause of the incident is and the progress of the assistance given by Can Infinity. (This service is in development and coming Soon)

8. Electronic Driving Chaperone (Coming Soon)

This service allows you to map the rout a driver should follow and as long as the driver's phone is on and our app active, you will at all time be able to see and monitor where the driver is or how far from its destination he/she is.

Please note: This service will only be available through our emergency assist 24EA App or Website.

MEDICAL ASSIST

This emergency medical assistance program is conducted by ER 24 and is available to your driver and co-driver while on the road.

- Emergency Medical Response and Stabilization at the scene of a
