

Hep_vO™ Sanitary waste valve

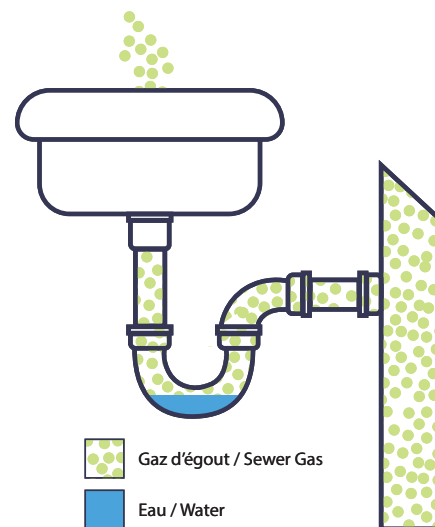

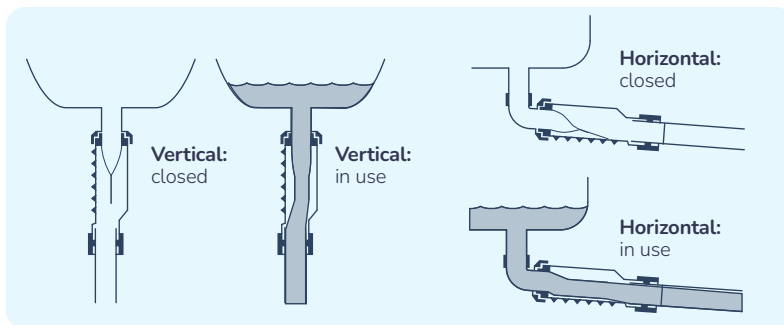

BOW Groupe
de Plomberie Inc.

Hep_vO: The Solution

Sewer gasses can leak foul odors into a living space when the p-trap dries out.

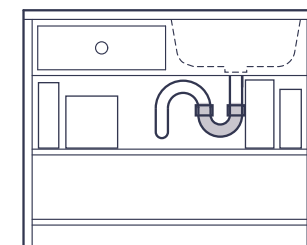

- **Low Maintenance:**
Eliminates the need for a traditional water seal P-trap and its associated maintenance

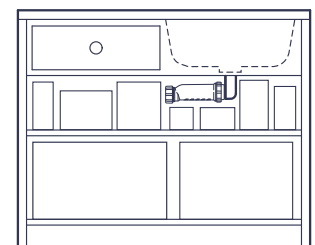

- **Flexible Installation:**
Hep_vO can be installed horizontally or vertically

- **Enhanced Safety:**
Hep_vO's self-sealing membrane prevents evaporation, siphonage and freezing causing sewer gas failures common with P-Traps

- **Space Saving:**
Its compact design saves valuable space

Sink Cupboard with
water seal trap

Sink Cupboard with
Hep_vO installed horizontally

Cat #	Item #	Descriptions	UPC #	Std Pack	Pal Qty
039	390005	Sanitary Valve Hep _v O 1-1/4" Kit	062852390005	6	648
039	390013	Sanitary Valve Hep _v O 1-1/2" Kit	062852390012	6	648
