

**PL**  
**PREMIUM MAX**  
CONSTRUCTION ADHESIVE

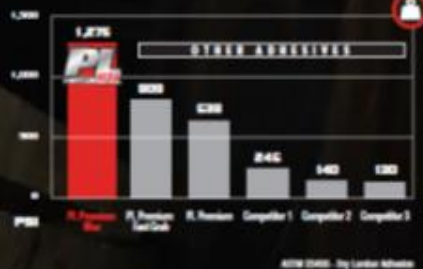

**STRONGEST. MOST DURABLE. 100% SOLID.**

## STRONGEST.

Withstands extreme force and pressure to keep structures stronger than ever.

## PROVEN STRENGTH.

## MOST DURABLE.

Stronger bond to more materials than ordinary adhesives, resisting building movement over time.

## WITHSTANDS HARSH CONDITIONS.

## 100% SOLID.

Air pockets form in most construction adhesives while curing. PL Premium Max cures 100% solid for lasting strength.

## DOESN'T BREAK DOWN.

## UNRIVALED.

LePage PL Premium® Max construction adhesive is ideal for the toughest interior or exterior projects including stairs, railings, framing, landscaping, and decks.

With an easy to use plastic cartridge, PL Premium Max is able to gun easily in cold temperatures and has no run-on.

## BONDS ALL MATERIALS

### WORKS ON:

Wood	Masonry	Vinyl / PVC
Laminate	Brick	Foamboard
OSB	Block	Mirror
Drywall	Stone	Tile
Metal	Marble	Ceramic
Stainless	Granite	Fiberglass
