

3,500 WATT INVERTER GENERATOR

MODEL: PP3500R

FEATURES

- **Quiet inverter generator** that is easy to transport to bring power to the remotest locations.
- **Produces clean energy** that is needed for sensitive electronics like cell phones and computers.
- **Rugged and reliable engine** with automatic low oil-shutdown that keeps it safe.
- **Copper alternator windings** increases efficiency and reduces heat build up to extend lifespan.
- **Easy access outlets** are protected by waterproof circuit breakers for safety.
- **Sound dampening** shell lowers volume and protects internals.
- **Folding handle and wheels** makes it easier to transport.
