Before you start...

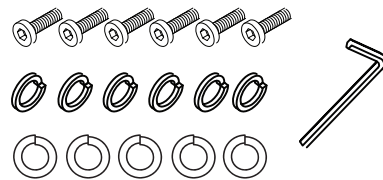

Check that you have received all cartons and familiarize yourself with the assembly requirements. This includes setting aside the allocated time required and having someone to assist you, if needed.

Ensure enough space for assembly. We recommend protecting your floor with a mat or cardboard to avoid scratches during the assembly process.

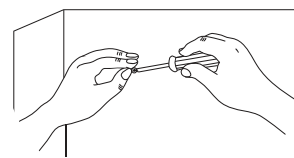

Read instructions carefully, and check that no parts are missing.

Lay out all hardware on a soft surface so you can easily identify them.

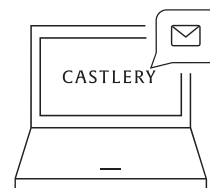

Carefully identify all components to differentiate which pieces are left and right.

Carefully install your new product following the instructions stated. Don't skip ahead!

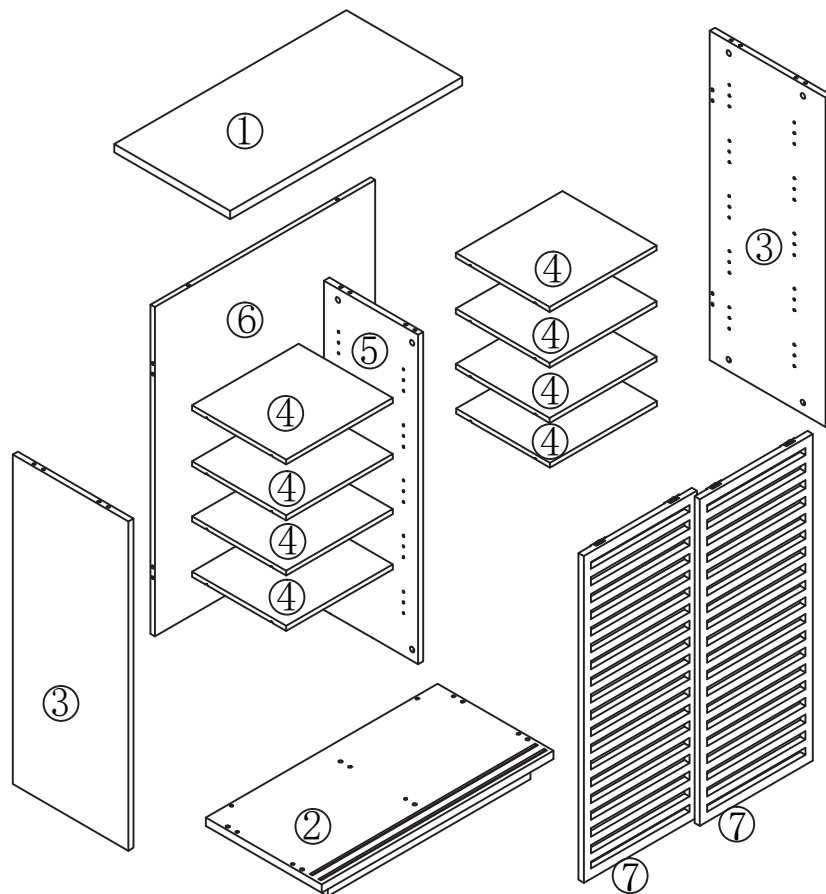

DO NOT over-tighten screws or use a drill. Only professional assemblers should use a drill.

If you need further assistance, please contact us via www.castlery.com/contact-us.

Anti-tip Kit Assembly Instruction

To prevent injury and property damage from unexpected tipping of furniture, we highly recommend installation of the anti-tip kit included with this product.

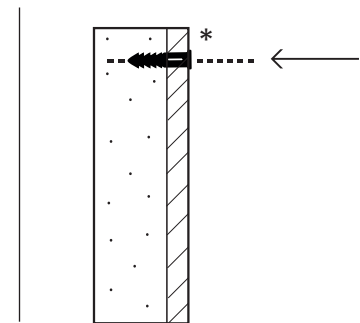

Step 1

Determine where the piece is to be placed and mark location on the wall for the mounting bracket screw holes. They should be placed approximately 1" below the top on the back of the piece of furniture.

wall anchors

*Repeat for all 4 Wall Anchors.

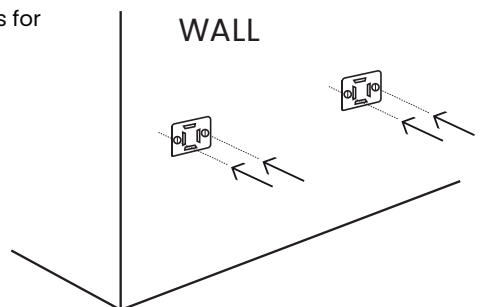

Step 2

Attach the mounting bracket vertically/ horizontally to the wall by inserting the long screws provided through the holes in the bracket and tightening securely using screw-driver. Screws must penetrate wall studs for proper installation.

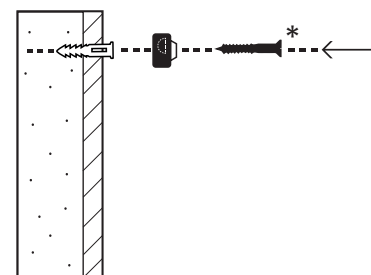

Long screws

plastic brackets

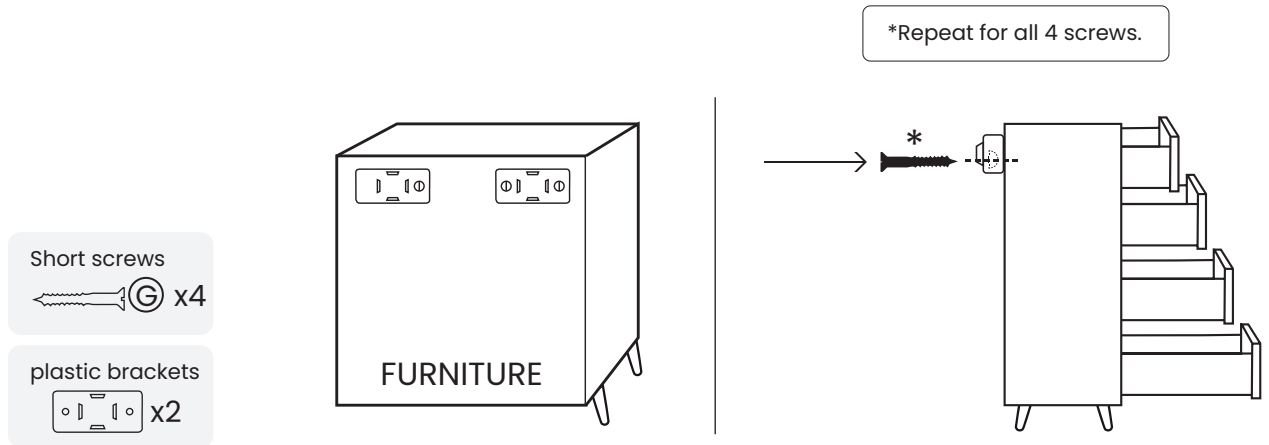

*Repeat for all 4 screws.

Please seek a professional advice if unsure of wall constructions. Properly affixing furniture to your wall will depend on the wall material: concrete, drywall, masonry, or wood will require the appropriate hardware. Anchor is not provided, please source the right anchor according to the wall type. Please consult your local hardware store to ensure you are using the correct hardware for your wall type.

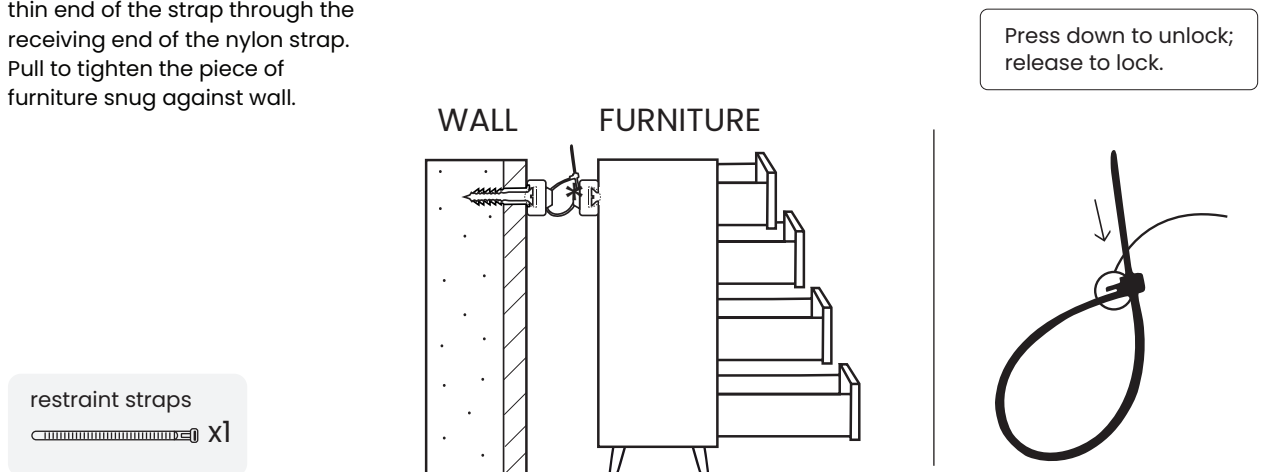

Step 3

Next using the short screws attach the 2nd bracket to the back of the piece of furniture's top.

Step 4

Lace the nylon strap down through the brackets. Slide the thin end of the strap through the receiving end of the nylon strap. Pull to tighten the piece of furniture snug against wall.

- This anti-tip kit is not a substitute for proper adult supervision.
- This anti-tip kit may provide protection against tipping furniture.
- Do not allow children to climb on furniture.
- By installing anti-tip kit, you acknowledge that you are fully aware of the safety requirements and accept to adhere to it.

Care

Instructions

Your furniture, if treated with respect and love, will last you a long time. Each piece requires light maintenance to maximize its longevity.

Storage Furniture Care

- Dust with a soft, dry cloth and clean with a slightly damp cloth.
- Avoid abrasive cleaners and placing rough or sharp objects on the surface.
- Keep furniture away from direct heat or sunlight.
- Wipe spills immediately.
- Use coasters or placemats where possible, to prevent discoloration of the surface.
- Lift when moving, do not drag.
- Periodically check that all connections are tightly secured.

Follow the care instructions and look after your furniture. In return, your furniture will look after you. For more information on our care instructions, visit our product website at www.castlery.com.

We hope to see you soon!
