Before you start...

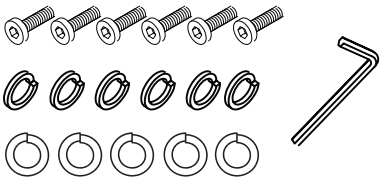

Check that you have received all cartons and familiarize yourself with the assembly requirements. This includes setting aside the allocated time required and having someone to assist you, if needed.

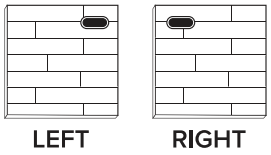

Ensure enough space for assembly. We recommend protecting your floor with a mat or cardboard to avoid scratches during the assembly process.

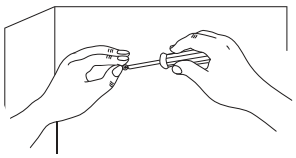

Read instructions carefully, and check that no parts are missing.

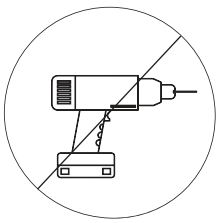

Lay out all hardware on a soft surface so you can easily identify them.

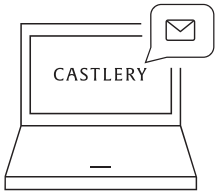

Carefully identify all components to differentiate which pieces are left and right.

Carefully install your new product following the instructions stated. Don't skip ahead!

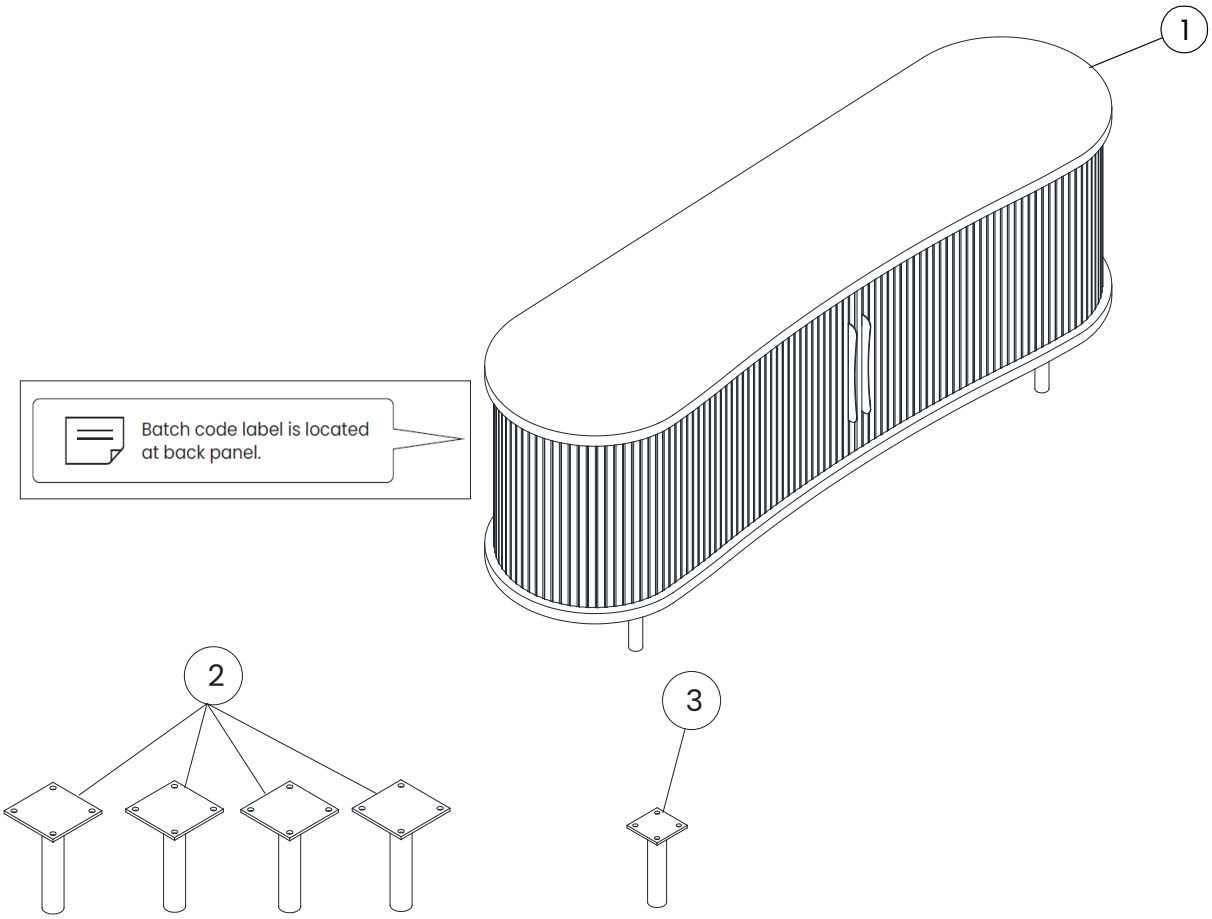

DO NOT over-tighten screws or use a drill. This will damage the product.

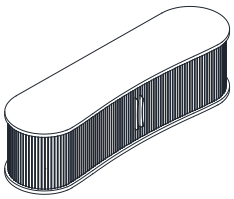

If you need further assistance, please contact us via **www.castlery.com/contact-us**.

Finished!

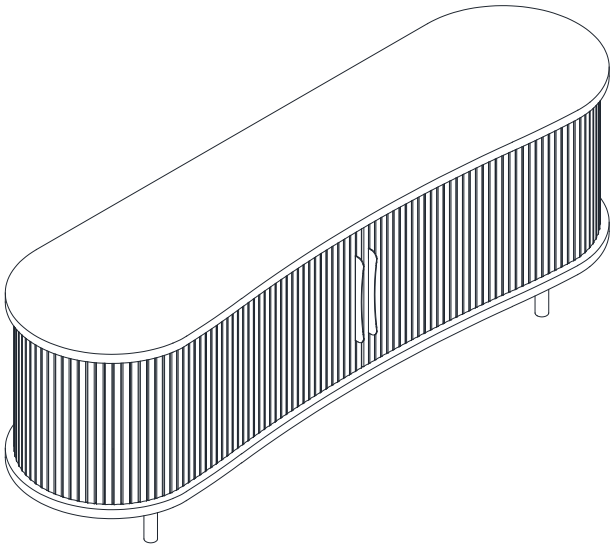

Congratulations, we're almost there!
Please perform the following checks:

1. Have you tightened all the screws?
2. Are levelers in line with and touching the ground?
3. Have you installed the anti-tipping kit?

Always lift your Castlery product when moving it to your preferred location. Levelers (if any) may slant if you drag your product.

Finally, clean the product with a damp cloth.

You're all set! Enjoy your new living space, thanks to the addition of your Castlery product.

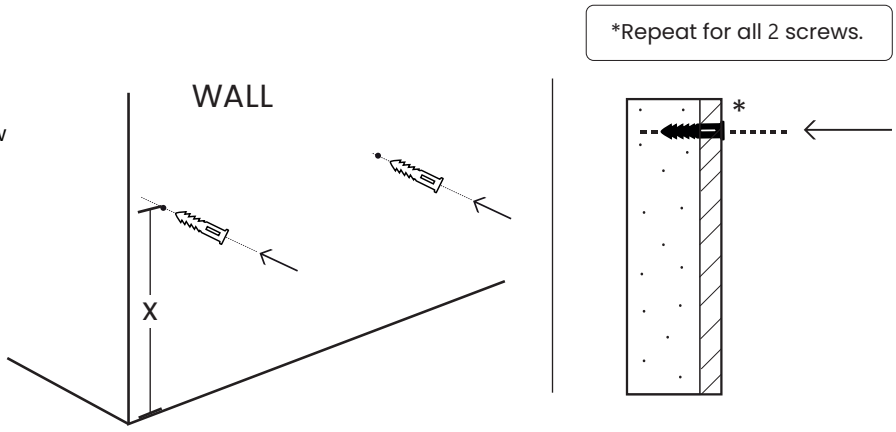

Note: Your actual product may have minor size differences due to manual measurements.

Anti-tip Kit
Assembly Instruction

To prevent injury and property damage from unexpected tipping of furniture, we highly recommend installation of the anti-tip kit included with this product.

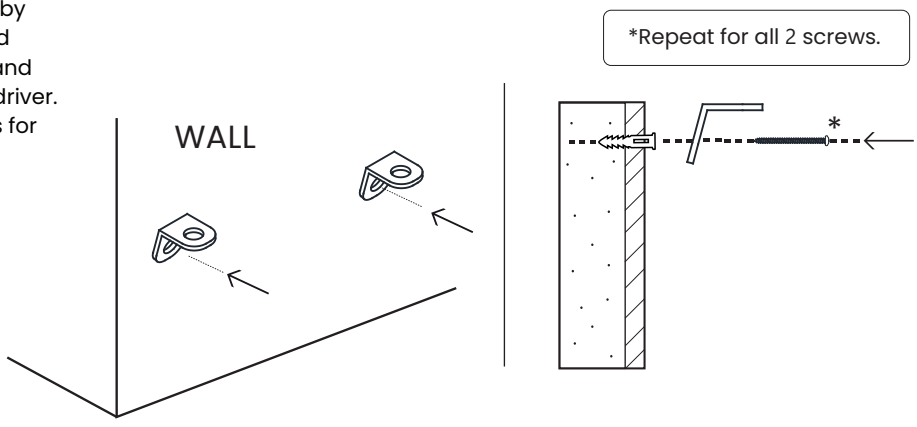

Step 1

Determine where the piece is to be placed and mark location on the wall for the mounting bracket screw holes. They should be placed approximately 1" below the top on the back of the piece of furniture.

Step 2

Attach the mounting bracket vertically/ horizontally to the wall by inserting the long screws provided through the holes in the bracket and tightening securely using screw-driver. Screws must penetrate wall studs for proper installation.

Bracket x2

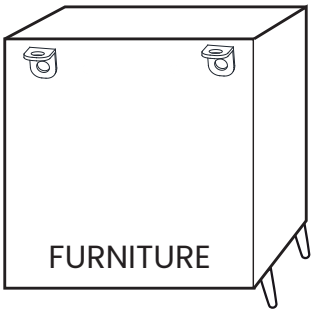

Please seek a professional advice if unsure of wall constructions. Properly affixing furniture to your wall will depend on the wall material: concrete, drywall, masonry, or wood will require the appropriate hardware. Anchor is not provided, please source the right anchor according to the wall type. Please consult your local hardware store to ensure you are using the correct hardware for your wall type.

Step 3

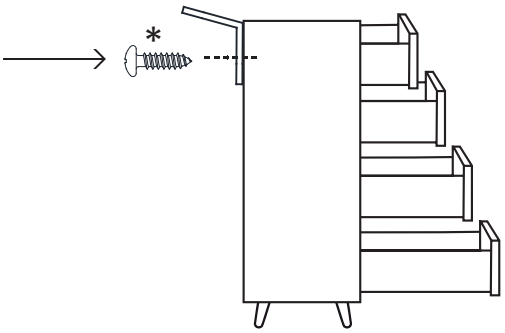

Next using the short screws attach the 2nd bracket to the back of the piece of furniture's top.

Care Instructions

Your furniture, if treated with respect and love, will last you a long time. Each piece requires light maintenance to maximize its longevity.

- Dust with a soft, dry cloth and clean with a slightly damp cloth.
- Avoid abrasive cleaners & placing rough or sharp objects on the surface.
- Keep furniture away from direct heat or sunlight.
- Wipe spills immediately.
- Use coasters or placemats where possible, to prevent discolouration of the surface.
- Lift when moving, do not drag.
- Periodically check that all connections are tightly-secured.

Follow the care instructions and look after your furniture. In return, your furniture will look after you. For more information on our care instructions, visit our product website at www.castlery.com.

We hope to see you soon!
